

GENERAL DISCLAIMERS

- This website is a publication of TFG Financial Advisors, LLC. The firm is registered as an investment adviser with the SEC and only conducts business in states where it is properly registered or is excluded from registration requirements. Registration is not an endorsement of the firm by securities regulators and does not mean the adviser has achieved a specific level of skill or ability. The firm is not engaged in the practice of law or accounting and is not affiliated with or endorsed by the Social Security Administration or Medicare.
- Information presented is believed to be current. It should not be viewed as personalized investment advice. All expressions of opinion reflect the judgment of the authors on the date of publication and may change in response to market conditions. You should consult with a professional advisor before implementing any strategies discussed. Content should not be viewed as an offer to buy or sell any of the securities mentioned or as legal or tax advice. You should always consult an attorney or tax professional regarding your specific legal or tax situation.
- Hyperlinks on this website are provided as a convenience. We cannot be held responsible for information, services or products found on websites linked to ours.
- All investment and insurance strategies have the potential for profit or loss. Different types of investments involve higher and lower levels of risk. There is no guarantee that a specific investment or strategy will be suitable or profitable for an investor's portfolio. Historical performance returns for investment indexes and/or categories, usually do not deduct transaction and/or custodial charges or an advisory fee, which would decrease historical performance results. There are no assurances that a portfolio will match or exceed any particular benchmark. Asset allocation and diversification will not necessarily improve an investor's returns and cannot eliminate the risk of investment losses.
- Photos and videos are used for the singular purpose of enhancing the website. None of them are photographs of current or former clients.
- References to clients on the Fuoco Group website should not be construed as a testimonial for TFG Financial Advisors or any of its investment adviser representatives. It is unknown if these clients of the Fuoco Group approve or disapprove of the services offered by either firm.
